

Message for all support staff and maids...

(Please talk to them and explain in Hindi/ Marathi)

- Wash hands with soap every one hour and before eating food and touching nose and mouth.
- Please avoid any outside contact including regular friends, guests, family functions.
- Wash all the clothes every day and use cloth bags and wash them also.
- Avoid unnecessary travel, market visits, wash all the things, food packets, fruits and vegetables as soon as you get them home.
- Avoid footwear in the house, keep them outside, separately.
- Maintain 1 metre distance from outsiders.
- Teach them how to wear and wash clothes masks, I am posting the video again, please watch and explain to your servants
- Get your home cleaned often.
